

Wise Habits of a Young Print Media Professional: in the Graphic Imaging Technology Program

- 1) **Always do the wise & right thing.**
(Honesty is the #1 value in leadership.)
- 2) **Work smarter not harder.**
(Think first and be wise. Do your job well everyday.)
- 3) **Read at least 15 minutes a day.**
(A professional is committed to self improvement.)
- 4) **Keep a positive attitude.**
(Attitude is everything. Be a joy to be around.)
- 5) **Know the “whys” of what you do.**
(A professional knows the “whys” and is a person of action.)
- 6) **Be there and be on time.**
(A professional builds good habits.)
- 7) **Invest your time, don't spend time.**
(A professional uses a time management program.)
- 8) **Stop blaming others.**
(Take responsibility for your own actions. Admit your mistakes.)
- 9) **Have a cashflow plan.**
(A professional live on a budget.)
- 10) **Build solid relationships.**
(With your family, friends, business partners, etc.)
- 11) **Words are powerful.**
(So think before you speak. Cussing is the language of the poor)
- 12) **Persistence, Persistence, Persistence.**
(Never give up, never quit, develop GRIT)
